ARCHITECTURAL HARDWARE

PRODUCT CATALOGUE

OPEN UP
THE WORLD
OF
EXCLUSIVITY

OPEN, CLOSE, STORE, PROTECT, HIDE, FIND AND TREASURE

Q-Seven is a preferred INDIAN brand for reliable Architectural Hardware Solutions. We operate on an international scale with prestigious business associates nationwide and offer a superior product solution which meets INDIAN standards and best practices.

Our approach is to adopt the latest technology in design and development for any product and give an optimum solution with a value for money tag.

We at Q-Seven, are quality conscious of our products and are always on the path of evolving new products as per the ever changing taste of the customer. The new products are designed taking into account the customers requirement in terms of its functionality and durability.

We always strive to satisfy our customers with our products which fits into our Principles of Simplicity. Our only focus is to achieve maximum simplicity in our products i.e. - simple to operate, simple to clean and simple to maintain and replace with the minimum cost.

We aspire to be the most popular choice of brand across the India for our Architectural Hardware Portfolio, which we constantly keep expanding year on year.
